1. INTRODUCTION

Junior Hoops Football Club acknowledges its responsibility to safeguard the welfare of every child and young person who has been entrusted to its care or is using its facilities, and is committed to working to provide a safe environment for all members. A child or young person is anyone under the age of 18 engaged in any club football activity. Furthermore Junior Hoops Football Club recognises its responsibilities to safeguard all vulnerable adults who have contact with the club. We as a club are committed to creating an environment which protects children, young people and vulnerable adults from harm, and by being aware and alert to safeguarding concerns at all times.

2. PRINCIPLES

We subscribe to The Football Association's (The FA) Safeguarding Children – Policy and Procedures and endorse and adopt the Policy Statement contained in that document.

The key principles of The FA Safeguarding Children Policy are that:

- the child's welfare is, and must always be, the paramount consideration
- all children and young people have a right to be protected from abuse regardless of their age, gender, disability, race, sexual orientation, faith or belief
- all suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately
- working in partnership with other organisations, children, young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be

protected from poor practice and abuse. Junior Hoops Football Club recognises that this is the responsibility of every adult and volunteer involved in our club.

Junior Hoops Football Club has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The Football Association's Safeguarding Children Regulations (see The FA Handbook) applies to everyone in football whether in a paid or voluntary capacity. This means whether you are a volunteer, match official, helper on club tours, football coach, club official or medical staff.

3. Safeguarding

Reporting your concerns about the welfare of a child or young person. Safeguarding is everyone's responsibility if you are worried about a child it is important that you report your concerns – no action is not an option.

a. If you are worried about a child then you need to report your concerns to the Club Welfare Officer.

b. If the issue is one of poor practice the Club Welfare Officer will either:

- deal with the matter themselves or
- seek advice from the CFA Welfare Officer

c. If the concern is more serious – possible child abuse, where possible, contact the CFA Welfare Officer first, then immediately contact the Police or Children's Social Care.

d. If the child needs immediate medical treatment take them to a hospital or call an ambulance and tell them this is a child protection concern. Let your Club Welfare Officer know what action you have taken, they in turn will inform the CFA Welfare Officer

e. If at any time you are not able to contact your Club Welfare Officer or the matter is clearly serious then you can either

- contact your CFA Welfare Officer directly
- contact The FA Safeguarding Team on 0800 169 1863

All current Junior Hoops Football Club members working in eligible roles, with children and young people - such as managers and coaches are required to hold an in-date FA accepted Enhanced DBS check as part of responsible recruitment practice.

If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of Junior Hoops Football Club guidance will be sought from The Football Association. It is noted and accepted that The FA will consider the relevance and significance of the information obtained via the DBS Process and that all suitability decisions will be made in accordance with legislation and in the best interests of children and young people.

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of
